

Sizing Guide

1. Print to Actual size / **100% scale**
Paper size: A4 (210x297mm)
2. **Check the printed scale** against the scale confirmation line below with a ruler.
3. Lay the paper on a flat surface and stand with your heel on the bottom line.
4. Mark the line above the longest toe.
5. Choose your size.

! Between sizes? Wider feet should size up. In doubts? Leave us a message via e-mail or social media.

Width? Due to the high flexibility and adaptability of the product, this information is not as essential as for shoes. For example, size L is suitable for 11 cm wide feet (larger sizes have wider toe box). At the same time, Skinners are equally suitable for customers with narrower feet.
